

Talisker Commences Drilling at Bralorne Gold Project

TORONTO, Feb. 12, 2020 /CNW/ - Talisker Resources Ltd. ("Talisker" or the "Company") (CSE:TSK | OTCQB:TSKFF) is pleased to announce that the Company has commenced Phase 1 drilling at its recently acquired Bralorne Gold Project in south central British Columbia, Canada. The Phase 1 drill program will consist of a planned 2,700m of diamond drilling in five holes and is part of a larger 11,200m program outlined in the table below and illustrated on the drill program map attached. The complete program will be executed in the first and second quarters of 2020. The Phase 1 drill holes will range in depth from 427m to 671m depth and will target the HW, Main, J and 77 veins.

Terry Harbort, President & CEO stated, "We are executing our plan for Bralorne and will continue with our aggressive approach to exploration this year both at Bralorne and at our earlier stage Spences Bridge Gold Belt projects. This inaugural drill program represents a major milestone for the Company and we look forward to reporting drill results in the near future."

Bralorne Gold Project – Phases 1 and 2				
Phase	Proposed Drill Hole	Target Depth (m)	Location	Targets
1	TSK201042	579	Pioneer	HW; Main; J Vein
	TSK201043	671	Pioneer	HW; Main; J Vein
	TSK201040	427	Pioneer	Main
	TSK201041	457	Pioneer	Main
	TSK201044	549	Bralorne	77 Vein
2	TSK201030	610	Bralorne	59 Vein
	TSK201060	914	Bralorne	59 Vein; 51 Vein; 73 Vein
	TSK201064	792	Bralorne	55 Vein; 53 Vein
	TSK201075	610	Bralorne	55 Vein
	TSK201026	853	Bralorne	55 Vein
	TSK201027	945	Bralorne	55 Vein; 53 Vein
	TSK201063	1006	Bralorne	55 Vein

About Talisker Resources Ltd.

Talisker Resources Ltd. is a junior resource company involved in the exploration of gold projects in British Columbia, Canada. Talisker's projects include the Bralorne Gold Complex, an advanced stage project with significant exploration potential from a historical high-grade producing gold mine as well as its Spences Bridge Project where the Company holds ~85% of the emerging Spences Bridge Gold Belt and several other early stage Greenfields projects. With its properties comprising 270,605 hectares over 288 claims, three leases and 154 crown grant claims, Talisker is a dominant exploration player in the south-central British Columbia. The Company is well funded to advance its aggressive systematic exploration program at its projects.

Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release. No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.

Forward-Looking Statements

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on Talisker's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this release contains forward-looking information relating to, among other things, the listing of the common shares of Talisker on the CSE. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to Talisker. Although such statements are based on reasonable assumptions of Talisker's management, there can be no assurance that any conclusions or forecasts will prove to be accurate.

Forward-looking information contained in this news release is based on certain factors and assumptions. While Talisker considers these assumptions to be reasonable based on information currently available to them, they may prove to be incorrect. Forward looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results,

performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. The forward-looking information contained in this release is made as of the date hereof, and Talisker is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
